The Medford Arts Center Inc. (MACI) nurtures creativity, supports artists and the arts, and works to reflect the diverse community of Medford. We make art more accessible to all by removing barriers to participation and bringing programs into the community.

We put on member exhibitions and events throughout the year. Some of our recurring activities include:

- Ongoing member displays at Medford City Hall.
- Monthly Spoken Word Salons, for anyone interested in reading aloud from their own work or sharing words they love from published works.
- Pop-up sales and shows in Medford and neighboring areas.

We also host two major programs: the Medford Arts Resource Vehicle and the Mystic Makerspace.

**Medford Arts Resource Vehicle (MARV)**

MARV is an art center on wheels, bringing supplies and inspiration to neighborhoods all over Medford and nearby communities. Activities will include art and crafts workshops, music/dance performances, pop-up films, even poetry slams. MARV takes art wherever the community calls us. It will bring out the creativity, fun, and collaborative spirit in so many residents!

**Mystic Makerspace**

Mystic Makerspace is a collective source of tools, education and space geared towards community members ages 16-106! At Mystic Makerspace you can dream big, imagine immensely, experiment rashly, discover boldly, and even fail safely. You can write code, make sweaters, and make friends. What you make is up to you!
